SUMMARY

Full Stack Software Developer who loves to build elegant apps with user-focused design. Motivated team player concentrated on writing clean and efficient code using problem-solving skills. Eager to contribute my technical skills to an innovative team and continue to grow and improve as a developer.

TECHNICAL SKILLS

Programming Languages: JavaScript (ES6+), TypeScript, Ruby, Python
Back-End: Node, Express, SQL, PostgreSQL, Prisma, Ruby on Rails
Front-End: React, HTML, CSS, SASS/SCSS, Bootstrap, jQuery, AJAX
Testing, Collaboration, and More: Mocha, Chai, Jest, Storybook, Cypress, Git, REST APIs, JSON

PROJECTS

<u>Veggielicious</u>   April 2022
- React recipe app featuring vegetarian & vegan recipes. Allows users to filter by cuisine and includes custom search. Created using JavaScript, React, CSS, and Styled Components.

<u>PomoPets</u>   February 2022
- React productivity app which integrates a Pomodoro Timer and an interactive digital pet. Created using JavaScript, Prisma, React, SASS, Bootstrap, Node, and Express. Deployed on Heroku and Netlify.

<u>Scheduler</u>   Nov – Dec 2021
- React SPA that features unit, integration, and E2E testing with Jest, Storybook, and Cypress. Includes custom hooks for integrated state management. Deployed on Heroku and Netlify and uses Circle CI.

<u>Passwordb</u>   October 2021
- Password manager that allows a user to generate secure passwords according to custom specifications. Built with JavaScript, Node.js, Express, HTML, CSS, SASS, jQuery, and PostgreSQL.

EDUCATION

Web Development Bootcamp, Lighthouse Labs   July 2021 – February 2022
- Full Stack Web Development bootcamp focused on JavaScript and Ruby, front-end & back-end development, networks and HTTP, relational databases, automated testing, and test-driven development.

Intro to Web Development Course, Lighthouse Labs   May 2021 – June 2021
- 6-week course that covered the essentials of web development: HTML, CSS, Ruby
- Built an Instagram-like app using Ruby, Sinatra, ActiveRecord, and deployed on Heroku

Bachelor of Arts, McGill University - *Montreal QC*   Sept 2017 – June 2021
- Major in Psychology and double minor in Behavioral Science and Social Studies of Medicine

EXPERIENCE

Training Coordinator at **Peer Support Centre of McGill University** - *Montreal QC*   May 2020 – May 2021
- Collaborated with a team of ten Executives to assist in implementing an overall vision of the PSC for the 2020-21 year
- Redesigned the annual 40-hour volunteer training to be delivered online while ensuring high volunteer engagement, accessibility, and a collaborative nature
- Effectively trained and managed a team of seven Training Leads
- Planned monthly guest speakers and worked collaboratively to deliver innovative workshops to volunteers with topics such as anti-racism & anti-oppression, Trans* student allyship, neurodiversity awareness
